

INSPIRING GLOBAL CHANGE SINCE 1222

SCHOOL OF ECONOMICS AND POLITICAL SCIENCE

ACCOUNTING, FINANCE AND BUSINESS CONSULTING

This Master's degree trains the next generation of accounting professionals, controllers, financial analysts and bankers, and lays the foundation for a successful career in finance and accounting, both in industrial firms and in financial institutions. The programme provides tools to solve complex business problems and contributes to the continuous updating of strategies, processes, investments and financing decisions according to the constraints and opportunities emerging in different sectors.
