

INSPIRING GLOBAL CHANGE SINCE 1222

SCHOOL OF ECONOMICS AND POLITICAL SCIENCE

EUROPEAN AND GLOBAL STUDIES

The Master's degree provides a global, original and critical perspective on political and institutional settings. Through the mastery of specialized knowledge, solid competences, methods and conceptual tools the programme facilitates the analysis of political, historical, social and economic phenomena. This background allows for the understanding, development and management of political strategies, social intervention and projects both at European and international level, within multi-actor and multi-level settings.
