

INSPIRING GLOBAL CHANGE SINCE 1222

---

SCHOOL OF HUMAN AND SOCIAL SCIENCES AND CULTURAL HERITAGE

# LOCAL DEVELOPMENT

The Master's degree provides a thorough understanding of the specific social, organisational, economic, territorial and institutional forms and dynamics that characterise local development processes in different geographical contexts. It offers an in-depth knowledge of the different methodologies used for the formulation, implementation, monitoring and evaluation of programmes for local development and promotes the implementation of sustainability processes. Its intrinsic multicultural and multilingual dimension is reinforced by international partnerships and mobility agreements.
